We are very happy to offer gluten free, vegetarian and vegan options amongst others on an individual basis to suit the needs of guests. Please let us know of any dietary requirements and we will create a bespoke menu.

v *These dishes are made from ingredients that do not contain meat or fish. However, we do not have a dedicated preparation or cooking area for vegetarian food. If you suffer from a food allergy or intolerance, please speak to our staff about the ingredients in your meal when making your order. Every care is taken to avoid any cross contamination when processing a specific allergen free order. We do however work in a kitchen that processes allergenic ingredients and does not have a specific allergen free zone or separate dedicated fryers. Dishes may contain nut derivatives. Our prices include vat at the current rate.*
